Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The book you are about to journey through is one written as an encouragement to anyone going through life challenging situations, hang-up, habits, addictions, etc. It contains humor and real life characters (whose names have been changed to protect their identities) along with several biblical references taken from the New International Version of the Bible. Many of the stories on the following pages occurred during my earlier years residing in Desha County in the southeast corner of Arkansas. Tid bits of commercial fisherman, coon hunts, dogs and critters will be sprinkled throughout this adventure. I trust along with the laughs and humor you experience as you read that you will also be pointed to a road of true freedom. Finding a road to freedom with a few laughs along the way!.
