Grove Press / Atlantic Monthly Press, United States, 1994. Paperback. Condition: New. Reissue. Language: English . Brand New Book. Here are two major works by the famed Polish novelist and dramatist Witold Gombrowicz. The first, *Cosmos*, a metaphysical thriller, revolves around an absurd investigation. It is set in provincial Poland and narrated by a seedy, pathetic, and witty student, who is charming and appalling by turns, and whose voice is dense with the richly palpable description that characterizes Gombrowicz's writing. The second, *Pornografia*, explores the sinister effect the young can have on the old. To serve their own secret eroticism, two aging intellectuals encourage a young couple to commit murder. Although the adolescents are the weapons used to commit the crime, the four become conspirators before the deed is done.
