Reviews

A must buy book if you need to adding benefit. I have go through and that i am sure that i will gonna go through once more yet again down the road. I am just very happy to let you know that this is basically the best book i have got go through inside my own life and can be he very best book for at any time.

(Eldridge Reilly)

READING THE CHILD IN CHILDREN'S LITERATURE: AN HERETICAL APPROACH

Palgrave Macmillan. Paperback. Book Condition: new. BRAND NEW, Reading the Child in Children's Literature: An Heretical Approach, David Rudd, David Rudd takes a lively and controversial look at the critical representation of the child in children's literature, arguing for a more open and eclectic approach: one that celebrates the diverse power, appeal and possibilities of children's literature. Drawing on psychoanalytically informed perspectives, Rudd shows how theory can be both exciting and liberating. He offers fresh and stimulating close readings of key texts, ranging from established classics - such as Alice in Wonderland, Peter Pan and Winnie-the-Pooh - to more modern works, including novels (Peter Pan in Scarlet and The Children's Book) and picture books (Zoo, The Missing Piece and Where the Wild Things Are). Sophisticated yet highly approachable, this is an essential read for anyone with an interest in the study of children's literature.
