

Work Related Teaching and Learning: A Guide for Teachers and Practitioners (Paperback)

By -

Taylor Francis Ltd, United Kingdom, 2011. Paperback. Condition: New. New.. Language: English . Brand New Book. In the current economic climate, it is more important than ever that young people engage with the world of work and gain the knowledge, skills and experience they will need to prepare them for their future careers. This book provides an overarching framework for understanding all the separate parts of the work-related learning curriculum and constructs a research-based pedagogy with practical steps for students, teachers and practitioners. Work-Related Teaching and Learning deepens our understanding of work-related learning and provides an overview of the programmes and recent initiatives designed to make learning more relevant and better connected to work. Drawing on contemporary research and innovative practice, it offers guidance to support teachers and practitioners in the delivery of the work-related learning curriculum. Covering all aspects of word-related learning from enterprise education and economic well-being to careers education, work experience and the diplomas, features include: * An overarching conceptualisation of work-related learning * An exploration of the benefits of work-related learning * An examination of the key issues and challenges faced * A detailed look at how teaching and learning activities have been used in various...
