Berkley Publishing Group, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. At the turn of the twentieth century, London s political climate is in turmoil, as women fight for the right to vote. Dody McClelland has her own battles to fight. As England s first female autopsy surgeon, not only must she prove herself, she must prove that murder treats everyone equally. After a heated women s rights rally turns violent, an innocent suffragette is found murdered. When she examines the body, Dody McClelland is shocked to realize that the victim was a friend of her sister--fueling her determination to uncover the cause of the protestor s suspicious death. For Dody, gathering clues from a body is often easier than handling the living--especially Chief Detective Inspector Pike. Pike is looking to get to the bottom of this case but has a hard time trusting anyone--including Dody. Determined to earn Pike s trust and to find the killer, Dody will have to sort through real and imagined secrets. But if she s not careful, she may end up on her own examination table.
