

Robert Rodriguez: The Beatles Solo Years: 1970 - 1980

Filesize: 3.05 MB

Reviews

It in one of the most popular publication. We have read through and that i am sure that i will likely to study again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be he best pdf for actually.

Hal Leonard Corporation, United States, 2010. Paperback. Book Condition: New. 262 x 168 mm. Language: English . Brand New Book. In the years following the 1960s, Beatles fans around the world were twice-stunned: in 1970, when their beloved group disbanded, and ten years later when the murder of John Lennon ended a decade of hope that somehow the Fab Four would reunite. Between those milestones were astounding highs and unfathomable lows. George Harrison's 1971 benefit for the suffering of Bangladesh showed the world the possibilities of rock's altruism, while Lennon asked the world to imagine universal peace before sitting out half the decade to raise his son. Ringo Starr, the most overlooked Beatle, carved himself a surprising niche in film before launching a string of hit singles. And Paul McCartney, widely seen as the instigator of the breakup, became one of rock's most beloved performers, racking up record-breaking smashes that climaxed with a triumphant world tour in 1976. This book covers everything from their recording careers in the decade after the band's dissolution to the musicians they played with, the bands they influenced, the manifestations of latter-day Beatlemania, and the constant clamour for reunion expressed by fans and - sometimes - by the four themselves.
