

The Painted Tomb-chapel of Nebamun: Masterpieces of Ancient Egyptian Art in the British Museum

Filesize: 8.3 MB

Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

(Melody Jakubowski)

British Museum Press. Paperback. Book Condition: new. BRAND NEW, The Painted Tomb-chapel of Nebamun: Masterpieces of Ancient Egyptian Art in the British Museum, Richard Parkinson, Kevin Lovelock, The paintings from Nebamuns tomb chapel are among the greatest and most famous of the British Museums treasures. Yet much about them remains mysterious, and this book is concerned with the detective work undertaken to help us to understand and see them properly before they are displayed in a new permanent gallery in 2008. For this the paintings are being conserved and remounted in the Museums specialist laboratories, a process that is revealing radical new information about painting techniques in ancient Egypt. This, together with archival work, is helping us to solve the problem of the tomb-chapels location at Thebes, last seen in the 1820s when the paintings were removed. Richard Parkinson discusses each painting fully, with reconstructions and translations of the hieroglyphic texts, a discussion of the other known fragments (now in Berlin and Avignon) and a reconstruction of the whole tomb chapel. Every fragment is fully illustrated in color, doing full justice to an artist who has been described as antiquitys equivalent of Michelangelo.
