Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Practical Poultry Production It will be the effort of the authors to present the basic principles and practices of poultry keeping in such a way as to awaken interest, educate and develop purpose to under take further work. It is natural and necessary, therefore, that some detail should be omitted. For example, some of the finer points of breeding, such as Mendel s Law, and elaborate points of judging are thought to be too extended and subordinate to the main object to be included.
