

## Bridgeport Images of America

Filesize: 8.4 MB

### **Reviews**

*Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.*

Arcadia Publishing. Paperback. Condition: New. 128 pages. Dimensions: 9.0in. x 6.4in. x 0.4in. Explore Bridgeport, the most political neighborhood in the most political of cities home to five Chicago mayors and parades of politicians honoring its power at national conventions. Once a Native American village traversed by Jacques Marquette and Louis Jolliet, as Chicago grew the area was called Hardscrabble, then Cabbage Gardens, and finally Bridgeport. Immigrants built it: the Irish dredged a canal and mined a quarry that led to slaughterhouses, cooperages, rolling mills, and breweries that were worked by Germans, Bohemians, Swedes, and Poles. Held dear as the Heart of Lithuania, muckrakers described parts of it as a heartbreaking jungle. More immigrants came: Italians, Croatians, Mexicans, Chinese. Against the backdrop of prairies, labor strife, gangways, and Joe Podsjdwoziem, this sometimes uneasy mix lived, worked, and voted together. Bridgeport still has streets that defy the city's orderly grid, settlement houses, language stews, and, for each nationality, churches and taverns. Today, it may welcome artists and expensive housing, but on summer nights stoop sitting and rooting for the White Sox remain social obligations. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
