Brand New Book ***** Print on Demand *****.With the rising cost of gas prices.and no end in sight. everyone wants to save as much money at the gas pump as they possibly can. You may not be able to control the price of gas but you can change certain habits and follow some basic guidelines to help you save as much money as possible. Rising gas and oil prices each year mean that the average driver, who travels approximately 15,000 miles each year in a car that gets about 20 miles to the gallon, will pay more at the end of the year for his gas costs. Every time that the price of gas goes up at the fuel pump by 10 cents the cost of the average drivers gas consumption will rise by about \$75 over a year. This book will give you some tips, guidelines, and basic advice for helping you keep reduce the amount of money that you spend each week filling up your vehicle.
