Miniature Schnauzer: Whiskers (Hardback)

By Margaret Fetty

Bearport Publishing, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book. With their distinctive whiskers, playful nature, and friendly demeanor, miniature schnauzers have won the hearts of many pet owners over the years. In this narrative treat for dog lovers, readers will meet lovable miniature schnauzers like Say-dee, a pint-sized pup who volunteers as a therapy dog in hospitals, schools, and nursing homes. Of course, it's not surprising that Say-dee is a working dog. Her ancestors were, too. The first schnauzers lived on farms in Germany in the 1500s. Their job was to guard livestock and kill rodents that carried deadly diseases. Packed with fun, real-life stories of these tiny canines in action, *Miniature Schnauzer: Whiskers* recounts the breed's history and its relationship to the animal's current size, physical and mental characteristics, and suitability as a pet.

Reviews

This book will never be easy to start on reading but quite exciting to see. It is actually really intriguing through looking at period of time. Your daily life span will be converted once you total looking over this book.
