Reviews

Very beneficial to all of type of individuals. This can be for those who statte that there had not been a really worth reading. You will not really feel monotony at at any time of your respective time (that's what catalogs are for concerning should you ask me).
(Michale Shields)

OAXACA JOURNAL

Vintage Books, United States, 2012. Paperback. Book Condition: New. Reprint. 202 x 132 mm. Language: English . Brand New Book. Since childhood, Oliver Sacks has been fascinated by ferns: an ancient class of plants able to survive and adapt in many climates. Along with a delightful group of fellow fern aficionados mathematicians, poets, artists, and assorted botanists and birders he embarks on an exploration of Southern Mexico, a region that is also rich in human history and culture. He muses on the origins of chocolate and mescal, pre-Columbian culture and hallucinogens, the vibrant sights and sounds of the marketplace, and the peculiar passions of botanists. What other species would comb ancient Zapotec ruins on their hands and knees, searching for a new type of fern? Combining Sacks s enthusiasm for natural history and the richness of humanity with his sharp and observant eye for detail, Oaxaca Journal is a rare treat.
