Adar Educational Technologies, LLC, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. NEW EDITION NOW AVAILABLE ON AMAZON SEARCH for ADAR REVIEW This original edition from 2013 is a classic and affordable book to prepare for the FSOT exam. The New Edition was updated for the changes to the test during the 2014 transition from ACT to PearsonVue. The Complete Study Guide to the Foreign Service Officer Test includes information about the test and Foreign Service, valuable test-taking strategies, practice questions and essay prompts. According to the Department of State, 22,000 candidates took the FSOT in 2012 but only 425 Foreign Service Officers were hired that year. The FSOT and other steps in the candidacy are extremely competitive. In addition, if you take the FSOT unprepared and fail the exam, the Department of State requires that you wait 12 months before becoming eligible to take the test again. Thus, it is extremely important to be prepared the first time. More people rely on Adar Review than on any other FSOT Review book for sale at Amazon.
