St Andrew Press, United Kingdom, 2004. Paperback. Condition: New. Language: N/A. Brand New Book. The theme of the 2005 edition is gifts . In a consumer culture and a society of takers, we often find it hard to comprehend what it means to really give and to really receive. However, God through Christ and the Spirit continually reaches out to us in generosity and grace and there are many good gifts there for us to discover and experience. Pray Now 2005 reminds us of the simple truth that God s gifts are unconditional, yet our response and acceptance of them are hindered by many things. A central focus is the cross and the gift of Christ. As readers move from life to everlasting life from day 1 to day 31, this book will stimulate a reflective journey on how we understand and receive gifts in nature, in community and through grace.
