Createspace, United States, 2014. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. I feel that this is a unique book of poetry, because it takes the reader on a journey of the Heroic Poet Errant. Like a wandering knight, the Poet falls into the pits of despair, crawls out, and gains a truer, more affirmed sense of Self. Spin The Wheel was written at a time when I believed that life was suffering. As stated in the Four Noble Truths of the Buddhist Dharma, the truth of Dukha is that life is anxious, unsatisfactory and suffering. I sought refuge in the Three Jewels to bring my spirit mental clarity and centeredness in a world full of drama. The process of writing this poetic story began my path to salvation. And now I am ready to share it with you. Writing this story allowed for the exploration of enlightened thinking and the examination of our human drama. This fostered my appreciation that we are all divine and that we are all connected, spiritually and physically. We are all one upon Earth - together. I hope this book finds you when you can use it the most. Let the journey begin.
