

How David Cameron Fixed the 2015 Election and Much Else: How They Plan to Fix the Next Election, and How We Could Restore a Prosperous Representative Democracy in Britain (Paperback)

By MR George Tait Edwards

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The major subject of this book is how the Coalition Government led by David Cameron implemented the 2013 Individual Elector Registration and Administration Act in a partisan way by gerrymandering the Parliamentary Electoral Rolls and by denying the votes of millions of people - mainly students, women, the Black and Middle-East community and tenants - all of whom were unlikely to vote Conservative. This produced the surprise of the 7th May 2015 General Election victory by the Conservatives but the evidence for how that was brought about is in the public arena in the chosen method of implementation of the 2013 IER Act. Not content with simply winning one election the David Cameron led Conservative Government proposes to gerrymander the constituency boundaries in 2016 on the basis of the reduced 2013 IER Act, perhaps denying seven million people their democratic rights to vote if they do not return a questionnaire by December 2015. On the morning following the election Conservative spokesman told the Daily Telegraph that they planned to gerrymander the constituency boundaries to deny all opposition parties from holding...
