

20 Literacy Strategies to Meet the Common Core: Increasing Rigor in Middle High School Classrooms

By Elaine Mcewan-adkins, Allyson Burnett

Solution Tree, United Kingdom, 2012. Paperback. Book Condition: New. New.. 252 x 176 mm. Language: English . Brand New Book. With the advent of the Common Core State Standards and their high expectations with regard to content literacy (the Common Core State Standards for Literacy in History/Social Science, Science, and Technical Subjects), secondary teachers are scrambling for ways to implement the standards effectively. 20 Literacy Strategies to Meet the Common Core provides a clearly written, easy-to-access plan for implementing content literacy to meet the needs of these educators. Authors Elaine K. McEwan-Adkins and Allyson J. Burnett provide twenty research-based literacy strategies designed to help secondary students not only meet the new standards but also become expert readers. Also included are activities, prompts, organizers, lesson plans, and many other tools for facilitating skilled secondary content literacy. The introduction begins with an explanation of the Common Core State Standards for English language arts and literacy, their implication for grades 6-12 teachers, and how they differ from other literacy recommendations, making these seemingly complex and convoluted standards easy to understand. The authors also include a description of what skilled reading is, what role the teacher plays, and how the twenty literacy strategies...
