Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Think of the people you interact with throughout your day. Do you find some are a pleasure - while others are more of a pain? Each of us has our own style, preferences and ways of operating, how do we bring out the best in each other instead of driving each other crazy? Mary Miscisin shows us the way in this update of her classic book Showing Our True Colors. Playfully illustrated, Personality Lingo is a fun, easy guide for identifying personality styles and understanding why people behave as they do. Through lighthearted anecdotes, humorous cartoons and convenient reference lists, Miscisin conveys complex personality concepts in easy to comprehend layman language. Go beyond simple identification of your personality to discover immediately useful methods for practical application of the concepts. You'll find tips for appreciating and relating to each style along with ways to open up lines of communication, reduce stress and transform relationships - even ones you thought were impossible. In Personality Lingo the previous color terms have been updated to reflect easy to remember descriptors: Blues are CONNECTORS - they like to connect with others and grow from their life experiences. They naturally connect meaning to actions and events see easily see how one concept connects to another and to the bigger picture. They often let life unfold instead of trying to control their direction. Rather, they want their path or purpose to be revealed to them from life circumstances. Golds are PLANNERS - they crave consistency and have a penchant for planning. Steadfast, reliable and conscientious, this style aims to create a life that is safe and secure. This inclination drives them to make check lists for...
