Pearson Education (US), United States, 2018. Hardback. Condition: New. 4th edition. Language: English . Brand New Book. For introductory Nutrition courses for Majors. Pearson eText offers an affordable, simple-to-use, mobile reading experience that lets instructors and students extend learning beyond class time. Students can study, highlight, and take notes in their Pearson eText on Android and iPhone mobile phones and tablets -- even when they are offline. Educators can also add their own notes and highlights directly in the eTextbook so that students see what is important for their particular course. Helping students navigate nutrition s tough topics for a deeper understanding Pearson eText for The Science of Nutrition offers the best combination of text and media to help students master the toughest nutrition concepts in the course, while providing the richest support to save instructors time. This best selling, thoroughly current, research-based nutrition text is uniquely organized around the highly regarded functional approach, which organizes vitamins and minerals based on their functions within the body and is easily seen in the organization of the micronutrient (vitamin and mineral) chapters. The 4th Edition enhances the student learning story with greater incorporation of learning outcomes throughout the text, and an increased visual impact with the inclusion of new Focus Figures, including Meal Focus Figures. Important hot topics and new research such as the latest dietary guidelines and Nutrition Facts panel, a revised global hunger chapter (to incorporate more coverage of domestic issues, including sustainability and environmental impacts, food equity, politics, etc.), and updated science and source information make this one of the most current texts on the market today. Learn more about Pearson eText. NOTE: Pearson eText is a fully digital delivery of Pearson content. This ISBN is for the standalone Pearson eText access card. In addition to this access card,...
