Reviews

This sort of pdf is every little thing and made me seeking forward and a lot more. This is certainly for all who statte that there was not a worth reading through. I found out this book from my dad and i recommended this publication to discover.
(Christopher Kozey)

MENTAL AND EDUCATIONAL MEASUREMENTS OF THE DEAF (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Mental and Educational Measurements of the Deaf The writer is greatly indebted to the several superintendents for granting her the privilege of testing in their schools and residing in the institutions during the period of the work; and to principals and all teachers in the many schools. Visited, while collecting this material, for their hearty cooperation and many courtesies. My thanks are due and are heartily extended to the members of the mental test class who made it possible for me to undertake a work of such extent, by their untiring assistance in scoring the papers and aiding in other clerical work. I am pleased to thank Miss Hazel Knight for allowing me to make use of the results of her recent tests made in the Columbus School for the Deaf. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
