### **Reviews**

*Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.*

## SHEE (HARDBACK)

AUTHORHOUSE, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Could you survive three and a half years on a South Pacific island that didn't technically exist? Would it be easier if seventy-two million dollars in drug revenue were yours for the taking if you were ever rescued? How would it change your life? After witnessing a drug deal, Marin, a Kansas City decorator, survived the ship's explosion, the men hunting her and the isolation by her cleverness and resourcefulness, with the aid of flotsam washed up on shore. Ramone, a typhoon-displaced fisherman rescued Marin, the only survivor, and the new life of Shee had begun, the identity and the plans perfected throughout her long wait. Together they forged a relationship based on trust, secrets, lies and money while building a hotel empire on Martinique, her Caribbean playground and, eventually, her killing field. Raef, now a priest and Thom, the attorney who would become her fiancé, were told the truth but was she too cool, contriving and deceptive for love to overcome? A vicious gun battle at the Miami wharf was the second crack in Thom's love. Shee was desperately trying to hold on. Shee is a riveting tale of deceit, greed, and intrigue coupled with the privileged life of the rich sailing the islands of the Caribbean.
