By Ianus Christius

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Bilingual croatian-english collection of material-spiritual thoughts and says, written with intention to give help to all those who are seeking path on their own spiritual journey. (as I like to call it) and because of that, my dear reader, please read them with understanding and respect. Many hours spent in the countryside, especially on my favorite Zagreb s mountain Medvednica, and its magnificent tower Medvedgrad, have made a great contribution to the final appearance of this work. The book consists of two parts. The first part, Stairway to Wisdom, is a collection of, as I call them, material and spiritual sayings and songs. Each of the fifty-two sayings and songs, are intended to inspire readers to positive thoughts and to awake their own creativity. The second part, The thoughts of the spiritual anarchist, is consisting of twelve articles and stories..
