Createspace. Paperback. Condition: New. This item is printed on demand. 320 pages. A single battle, fought on the afternoon of the 23rd of September 1803, forever changed the course of the history of India, and led to British rule for a period of 144 years. The Patriarch, a story full of action and intrigue, is about the heroic actions of a native Indian youth who attracts the unwanted attention of a British General, and is forcibly conscripted into the British East India Company ranks, as a spy; and reveals why a purely mercantilist sea-faring nation sailed half across the world to conquer India, and how it managed to engineer the conquest of an empire 20 times its size, in just a few years, with a minimum of resources in men and material. History tells us that the late Eighteenth Century was a humbling time for King George. Following the loss of its Colonies in America, and under pressure in Continental Europe from Napoleon Bonaparte, the British Prime Minister Pitt hatched a plot to venture forth. With the connivance of the Duke of York, Pitts government used the private East India Company and the then little known Wellesley family as the instrument. The objective was to drive the French out of India and to deprive Napoleon access to its wealth. Rumors of the gold, silver, and precious stones, in Baroda, Hyderabad, and Mysore, having reached Europe, hordes of Arab Mercenaries and European soldiers-of-fortune were flocking to India to serve the various Rajahs. To succeed in this daring venture against great odds Arthur, the youngest member of the Wellesley clan, recruits a youth barely seventeen years of age. By a stroke of good fortune he discovers that this youth is the oldest son of the House of Shah; a family of traders...
