Filesize: 5.59 MB

Reviews

Just no phrases to describe. It typically does not price an excessive amount of. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Felton Hessel)

UNSETTLING THE COMMONS: SOCIAL MOVEMENTS AGAINST, WITHIN, AND BEYOND SETTLER COLONIALISM (PAPERBACK)

Arbeiter Ring, Canada, 2018. Paperback. Condition: New. Language: English . Brand New Book. Drawing on interviews with 51 anti-authoritarian organizers to investigates what it means to struggle for the commons within a settler colonial context, *Unsettling the Commons* interrogates a very important debate that took place within Occupy camps and is taking place in a multitude of movements in North America around what it means to claim the commons on stolen land. Travelling back in history to show the ways in which radical left movements have often either erased or come into clear conflict with Indigenous practices of sovereignty and self-determination--all in the name of the struggle for the commons, the book argues that there are multiple commons or conceptualizations of how land, relationships, and resources are shared, produced, consumed, and distributed in any given society. As opposed to the liberal politics of recognition, a political practice of unsettling and a recognition of the incommensurability of political goals that claim access to space/territory on stolen land is put forward as a more desirable way forward.
