I SEE LOVE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.
My book helps people who have won but also lost at love; realizing in the end they were better for it. The words in my book are based on my actual life experiences and thoughts. I wrote this book to remind us of our potential - to invigorate all souls who ve been tainted by the pain of love - and for ultimately, all those who read my words to see past those words and know that they themselves can be the key to another s happiness.
