Achievers Consult Publishing Inc, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Has anyone ever told you that you looked weird? Or that you were not welcome because you didn't look like everyone else? Maybe you're super smart and others think of you as a nerd. Maybe you have a mental illness and people make fun of you. Growing up is about discovering your unique gift and not following the crowd. Most times, we are afraid of getting teased and laughed at. We all want to be liked, be accepted, be loved. This book is about Leila the bumblebee, who was faced with this issue when a tragic thing happened to her appearance. So, it doesn't matter if you're big or small, or short or tall. You matter. It doesn't matter what others say about you. You're perfect. It's okay to be different. Just like Leila the bumblebee, you can learn how to love and accept yourself despite the flaws that you have or the way you are.
