This program is a therapist's opportunity to facilitate empathy development toward individuals with disabilities through role play and group discussion. Disability 4 A Day is a program that gives participants, 1st grade thru college aged students and adults, the opportunity to walk in someone else's shoes by experiencing a physical disability for a full school or work day. This edition includes all required forms and step-by-step instructions that Speech/Language Pathologists, Occupational Therapists and Physical Therapists will need to implement the program in a school, clinical or community setting.
