Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This collection of non-fiction short stories is about my unique life experiences, challenges and praises. Inspiration for the Heart is written to inspire, encourage, give hope.and you will see God s hand woven into each story. At the end of each one, I ve provided a brief summary of the lesson I learned from that life event, along with the address of a correlating Bible verse. I like relating to people by verbally espousing stories. The purpose may be to parallel a point, give an idea to ponder or simply bring a smile and laugh to them. Hopefully, my communication is a breath of fresh air, and not a pounding drum of baloney. I thank my mother for encouraging me to write down these true narratives. My hope is that you will enjoy the time spent in reading them. Charles Castle.
