Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How clergy and congregations can navigate the tricky transition from one pastor to the next. The Changeover Zone addresses a critical and perennial need in the church: the process of handing the baton of pastoral leadership from one person to the next. Authors Jim Ozier and Jim Griffith offer practical, clear instructions and guidance for both clergy and congregations. They provide detailed sections especially for clergy who are taking over from a founding pastor and for those replacing long-tenured pastors. The book is packed with real-church examples, helpful tips and tactics that have been proven successful. This resource will expertly guide pastors, supervisors, and congregations in nearly any church setting or denomination. The Changeover Zone is timely, helpful and insightful as we approach these transitions in leadership. Every personnel committee, pastor, judicatory leader, district superintendent and bishop should read this book before approaching any major leadership changes. --Bob Farr, Director of Congregational Excellence, MO Conference, UMC; author, The Necessary Nine The Changeover Zone provides a roadmap for how to make healthy pastoral transitions, especially in churches making their first transition or first transition in a long time. This book will help you learn how to not only survive a church pastoral transition but how to thrive and gain momentum through the transition. We have utilized this roadmap in East Ohio and it works....
