

Putnam s Phrase Book

By Mr Edwin Hamlin Carr

Createspace Independent Publishing Platform, United States, 1919. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Since we talk in phrases as well as in words every home needs a phrase book as well as a dictionary. This book has been prepared to meet that need, and contains a dictionary of six thousand choice phrases arranged synonymously for general use; many polite expressions, phrases of charm and courtesy, for use in letter writing; one hundred sample social letters, including instruction concerning the method of their preparation by the use of the dictionary of phrases; a guide to choice phrases for social letter writing; and finally, a handy index, very helpful, even though the phrases have been arranged in dictionary form. I have made an effort to emphasize phrases of commendation, optimism, and courtesy. Also many for use in letter writing--especially phrases suitable for letters of condolence. There is perhaps no more difficult letter to write than one of condolence, hence a considerable number under this designation in order to assist in this necessary and yet most blessed task.

Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Here is the best ebook I actually have gone through until now. It really is simplistic but shocks within the fifty percent in the ebook. Your daily life period will probably be transformed once you finish reading this book.
