Find Out About Weather: with 15 Projects and More Than 260 Pictures

By Robin Kerrod

Anness Publishing. Hardback. Book Condition: new. BRAND NEW, Find Out About Weather: with 15 Projects and More Than 260 Pictures, Robin Kerrod, This title comes with 15 projects and more than 260 pictures. It is a fascinating fact file and learn-it-yourself book on weather and climate: what they are and how they happen. You can discover where wind comes from, what a rainbow is, and why there are deserts in some parts of the world but rainforests in others. It includes 15 fantastic practical projects that really help you learn for yourself: measure wind force and rainfall, make your own weather vane, and test the air pressure using a balloon, baking soda and vinegar! It features over 260 images that include step-by-step photographs and explanatory illustrations. It is ideal for home or school use and for 8- to 12-year-olds. Weather is around you all the time, and it is always changing. Is it cloudy or sunny? Is the weather the same all over the country? This lively and practical book tells you all about different climates and seasons. It explains why temperatures rise and fall, how clouds, snow and ice form, and how people are able to forecast the weather....

Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Mazie Johns IV**

It in one of the most popular publication. We have read through and that i am sure that i will likely to study again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be he best pdf for actually.
