

## The Present Status of the Home Rule Question (Classic Reprint) (Paperback)

By William Thomas Laprade

Forgotten Books, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Present Status of the Home Rule Question But, after all, the most interesting question at present concerning the Government of Ireland Bill is whether it has any chance of becoming a law in the near future. As regards this question, any prophecy at the present juncture would be rash. Nevertheless, there are some facts which can be stated with reasonable certainty and which are worthy of the attention of students of current politics. One of the most evident of these facts is that the majority of Englishmen no longer get excited about the question. True enough a certain class of Unionist leaders are using strong, not to say violent and discourteous, language in the newspapers, on the platform, and even on the floor of the House of Commons. But as far as the results have been expressed in votes they cannot be said to tell very strongly against Home Rule. The administration has lost several seats at recent by-elections and has held others by decreased majorities, as the administration of the day usually does. But in...
