Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Pattern Alteration: A Guide for Leaders in Clothing Programs Every woman who sews for herself or her family wants to make attractive, durable, well fitting clothes. Garments that do not fit are a waste of time and materials because they are uncomfortable, do not withstand hard wear, and give no sense of pride or well-being. The first step toward excellent fit in clothes is a pattern that fits properly. If a style and size best suited to a woman's figure are chosen, the pattern may not need alteration. Most women, however, have some figure irregularity that requires change either in the pattern or the garment.
