NOTES ON LOCAL ANAESTHESIA IN GENERAL SURGERY (CLASSIC REPRINT) (PAPERBACK)

[DOWNLOAD](#)

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Notes on Local Anaesthesia in General Surgery IN recent years local anmsthesia has come much into use, especially in Germany. France, and America. It has been shown that in minor, and to a less extent in major surgical operations it can often take the place of a general anaesthetic, and save the patient the risk and discomfort attending the administration of chloro form or ether; whilewith its help many small but painful operations, often done without any anaesthetic, can be done painlessly. Owing to the fact that local aneesthesia has, tillrreceptlyfbeen little used in this country, and that most work on the subject has been done by German, French, and American surgeons, knowledge of the possibilities attending its use, and of the various methods of inducing it, is by no means general. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
