Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Book two introduces you to some extraordinary details of God in our lives. Although I have loved God all my life, I never knew He was this personal. The overall theme is to let you know that if you pay attention to the details around you, God speaks to you through them. It is very exciting to see God give you details and then see the details come together. I am more convinced than ever that we are not alone, especially in the little things. I always knew God could do great and awesome things, He is God. But I never knew God loved to work in the littlest things too. That just makes me feel even more loved by God. I don't know why it surprises me. He says He loves us more than we love our children. We sincerely care about every detail in our little ones lives. Every little thing they do thrills us, especially if you are a grandma! God doesn't expect us to understand all things. He just expects us to trust Him, because we can! Chapter 1 The Numbers Chapter 2 Book One Chapter 3 Healings Chapter 4 Jessica's House Chapter 5 Dad's Death Love Letter from God A Poem I wrote.
