paperback. Condition: New. Paperback Pages Number: 433 Language: Chinese. Book is a concise and complete OSPF command manual. The book provides many sample scenarios, and demonstrate the proper use of every OSPF command that can be implemented in a network environment consisting of a minimum number of routers. This allows readers to learn each OSPF command, without having to build a large, expensive lab environment. The example scenario clearly shows the purpose and usage of each OSPF command. Some examples of some com.
