

## We Are Emmanuel How Man Became God

By Tina Rae Collins Phd

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 148 pages. Dimensions: 10.0in. x 7.0in. x 0.3in. Is the story contained in the Bible a literal account of the creation of the universe and a factual history of the Jewish nation, including the birth of a baby in Bethlehem who was destined to die for the sins of the world, or is the true interpretation of the biblical texts symbolic and allegorical? In recent years several biblical scholars have come to believe in a metaphorical understanding of the Scriptures. What has been lacking, however, is an exegesis showing how this is so. In her doctoral dissertation, Tina Rae Collins has finally brought forth that interpretation in a brief, easily understood document. Collins shares original insights into the biblical account, gently guiding readers to an understanding of the Scriptures that will forever change the way they view the texts. She presents logical, thorough, and clear evidence for an allegorical view of the Bible. Designed to immerse readers in an in-depth study of the Scriptures, this book will, no doubt, provoke either a proclamation of Finally! Somebody has made sense of the Bible! or a What a heretical interpretation!...
