On a mission of upmost international importance, the C. I. A agent Matt Stone aboard an aircraft on his way to Europe has an incredible experience, a revelation that uncovers the truth of our heritage and changes his concept of life on this planet. He arrives in London with a new understanding of who we really are and what we are, also the knowledge of his real mission on Earth. There Matt meets his soul-mate the strikingly beautiful Louisa Vincenti the step-daughter of Don Vincenti the President of Italy who Matt discovers later emanates from the dark side of the Universe. Vincenti is currently the President of the European Union with control of the armed forces of the ESDP. The cities in Europe and the USA are in constant turmoil, with violent crime and ongoing rioting, mostly caused by the lack of employment due to the manufacturing base having been moved to China by the avaricious industrialists. Don Vincenti is a member of the Wed group, the secretive acquisitive group of wealthy investors and industrialists who live their...

Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
