Reviews

Merely no words to spell out. I am quite late in start reading this one, but better then never. I am happy to explain how this is actually the very best publication we have go through within my personal daily life and can be he best ebook for at any time.
(Althea Christiansen)

BIRD BOY AND OTHER STORIES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. BIRD BOY and Other Stories are full of longing and fantasy. Some, such as It s a wig, honey, are fanciful. Others, as in Pine Needles and Neapolitan, are pensive. Still others, such as Amelia are unusual. Lorna Crystal, in Passin Through and Fanny, in her own story, tell us something about growing old. In Mojo Ovary, Evangelina is missing her ovary; Dr. Jude is missing his Mojo golf ball. Somehow, they both end up in the right places. In Bird Boy, when Jack reads an ad for a roach eating contest, he knows this could be his lucky day. Are all these stories full of grotesque whimsy or perverse comedy? Nah. Louie and the Retired Guys is just plain sweet. Start with that one and work your way in.
