In this assessment I have to explain the communication process that applies to advertising and promotion. In this communication process includes the sender or source, message encoding, media channel, decoding, receiver, response or feedback and noise. In addition, I will explain precisely regarding the organization of the advertising and promotions industry. In advertising and promotion industry consist advertiser, advertising and promotion agencies, external facilitators, media organizations and target audiences. All these elements are the mediums for any organization or business to implement the advertisement in order to advertise and promote their products or services. Without the help of those elements, the advertising could not happen. Moreover, when advertisers make advertisements, they should aware with the rules and regulations in advertising. Here, I have to assess on how promotion in Aroma Cake House is regulated. According to Malaysia Code of Advertising Practice, Guidelines to Avoid False and...
