Reviews

This book will be worth getting. Better then never, though i am quite late in start reading this one. Its been written in an extremely basic way which is only right after i finished reading this book through which actually altered me, alter the way i believe.
(Mr. Enrico Lesch)

THE EDUCATION OF HENRY ADAMS

WWW.Bnpublishing.com, United States, 2007. Paperback. Book Condition: New. 249 x 175 mm. Language: English . Brand New Book ***** Print on Demand *****.The Education is much more a record of Adams s introspection than of his deeds. It is an extended meditation on the social, technological, political, and intellectual changes that occurred over Adams s lifetime. Adams concluded that his traditional education failed to help him come to terms with these rapid changes; hence his need for self-education. The organizing thread of the book is how the proper schooling and other aspects of his youth, was time wasted; thus his search for self-education through experiences, friendships, and reading.
