Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Change Your Life with The Right Smartphone Smartphones are one of the most significant personal productivity and entertainment products of our time. That is a bold statement, but it is true. Nearly two billion people have them already. However, not all smartphone owners are happy; The hype around smartphones seems to have created a perception that they can be purchased quickly and easily in a store or on the web. As a result, there are many smartphone owners who made a bad choice and are now unhappily stuck with the wrong phone and a three-year contract. A smartphone is complex device and must be matched with a wireless network service to deliver on its promise. It is not just about the phone, it is the combination of phone and service that will make or break your satisfaction. What is The Secret When Buying a Smartphone? The way to avoid disappointment and make the right choice is to be knowledgeable on cellphone. This book will help you understand your needs and wants; then guide you through the research to uncover a device and network service combination best suited for you. Be the envy of your friends and family and make the right decision the first time. Choose from a position of knowledge and confidence. Become a master of your device, not a slave. It will be a fun and easy task using this book as your roadmap. You cannot get snowed with this information under your belt. Here is What You Can Expect to Learn in This Book How cell phones work and the different types. How they are designed; what the key components are and how they work together. The evolution of...
