UKRAINE - CULTURE SMART! (PAPERBACK)

Kuperard, United Kingdom, 2012. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. This revised and updated edition of Culture Smart! Ukraine reveals a country in the throes of change. The euphoria of the famous Orange Revolution has vanished. The momentum for reform has been checked and the forces of authoritarianism have returned. Even so, modernization continues apace and people are eager to be seen as European. The recent political instability highlights the contradictions of Ukrainian society. Ukrainians are proud of their roots, and reticent about the traumas of their past; the country participates in international space programs and produces the world's largest aircraft, but still lives in a world of superstitions. The Ukrainian way of life is intertwined with ancient customs, the old Soviet legacy, and the search for a new European identity. What strikes visitors to this fascinating and important country is the heady mix of ancient history and youthful energy, the resilience of the people, and their generosity of spirit. For the twentieth anniversary of its independence, Ukraine received quite a present--hosting the key matches of Euro 2012. Now it has a game of its own- to show the world that it is a serious player. This new edition of Culture Sma.
