

Tales from the Magic Tree: How Children Used the Power of Their Imagination to Discover More about Themselves (Paperback)

By Lucy Simpson

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Tales from the Magic Tree are stories aimed at young children to help with their personal development and growth. They all have positive multi-layered messages. On the surface they are imaginative narratives, but at a deeper level encourage greater appreciation of the needs of others, and less painful inward reflection. The stories are easy to listen to or to read. They introduce simple methods to promote and increase self awareness, self belief and personal growth. The topics are all based around key issues which affect young people, and highlight to the listener that they can take control of their feelings and emotions. They are not a helpless passenger in their own body. The magic tree stands in a quiet corner of the playground of Cherry Tree Primary School and offers a peaceful place for students and teachers to sit and think. Consequently the magic tree has heard many stories over the years and wants to share what he has learnt in order to help the listener discover these secrets too. The magic tree reassures the young people that they are not alone, and...
