It s reassuring to know in our being that God s principles work in all situations in our lives. The stories you are about to read paint a picture of hope and a future because the characters rely on God for their strength and support. So many present-day stories end unhappily, but it is my desire that this book will uplift the reader with a sense of hope and joy for the future. Those that were in bondage and chains were set free because of God s redeeming love. Many emotions are displayed throughout the stories such as love, peace, joy, happiness, bitterness, and depression. As families face love ones dying, they learn to endure the pain and loss through the grace of a loving God. The characters learn to live with little or with much and to be thankful for whatever the Lord provides. If there is plenty, the abundance is shared with those who have less. There are miracles and angels working together to bless the families in the stories. Families grow in wisdom and love by working through hardships and difficulties together. Families pray together, trusting God for the impossible to be made possible. God truly gives real freedom to those who have willing hearts to forgive others and who give their hearts to him. It is my sincere hope that these stories will inspire and give you hope for all your tomorrows.
