Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand New Book ***** Print on Demand *****. The fire on the hearth has almost gone out in New England; the hearth has gone out; the family has lost its center; age ceases to be respected; sex is only distinguished by a difference between millinery bills and tailors bills; there is no more toast-and-cider; the young are not allowed to eat mince-pies at ten o clock at night; half a cheese is no longer set to toast before the fire; you scarcely ever see in front of the coals a row of roasting apples, which a bright little girl, with many a dive and start, shielding her sunny face from the fire with one hand, turns from time to time; scarce are the gray-haired sires who strop their razors on the family Bible, and doze in the chimney-corner. A good many things have gone out with the fire on the hearth.
