Little Brown and Company, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 145 x 135 mm. Language: English . Brand New. The #1 bestselling pioneer of fratire and a leading evolutionary psychologist team up to create the dating book for guys Whether they conducted their research in life or in the lab, experts Tucker Max and Dr. Geoffrey Miller have spent the last 20+ years learning what women really want from their men, why they want it, and how men can deliver those qualities. The short answer: become the best version of yourself possible, then show it off. It sounds simple, but it s not. If it were, Tinder would just be the stuff you use to start a fire. Becoming your best self requires honesty, self-awareness, hard work and a little help. Through their website and podcasts, Max and Miller have already helped over one million guys take their first steps toward Ms. Right. They have collected all of their findings in Mate, an evidence-driven, seriously funny playbook that will teach you to become a more sexually attractive and romantically successful man, the right way: - No seduction techniques - No moralizing - No bullshit Just honest, straightforward talk about the most ethical, effective way to pursue the win-win relationships you want with the women who are best for you. Much of what they ve discovered will surprise you, some of it will not, but all of it is important and often misunderstood. So listen up, and stop being stupid!.
