Mango Media, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. He towered over his Caribbean island for nearly five decades, a shaggy-bearded figure in combat fatigues whose long shadow spread across Latin America and the world. Few fired the hearts of the world's restless youth as Castro did when he was young, and few seemed so irrelevant as Castro when he was old -- the last Communist, railing on the empty, decrepit street corner that Cuba became under his rule. Fidel Castro: Life and Death of a Dictator follows key events that impacted the Caribbean island, its people, and the world during the tumultuous reign of this controversial dictator.
