Reviews

Complete guideline! Its such a excellent read. This really is for all who statte there had not been a worth studying. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Timothy Lynch)

BENEVOLENCE

Three Rivers Press, United States, 2012. Paperback. Book Condition: New. 201 x 130 mm. Language: English . Brand New Book. Cynthia Holz s first novel with Knopf Canada is a spellbinding story that offers an intimate look at family, friendship and altruism, and unrolls a cast of characters you can t help but root for even as you question some of the things they do. Dr. Ben Wasserman, an organ transplant psychiatrist, is having trouble assessing a would-be kidney donor who may turn out to be a bona fide altruist. But as his interest in the man grows, so do his professional and emotional conflicts. At the same time, Ben s psychologist wife, Renata Moon, is struggling to treat a phobic client whose husband died in a train crash. When the young woman reveals that she is pregnant, Renata s disappointment in her own childless marriage is triggered anew. Ben and Renata work hard all day, then go home to squabble over the nightly take-out. It doesn t help to ease the rising tension in their marriage that Ben s widowed mother, Molly, has made her disapproval of her yet-to-be-pregnant daughter-in-law well known. Nor does it help when Molly takes in a boarder, a man from her past whose secrets threaten to complicate the family dynamics even more. Benevolence is intelligent, amusing and deeply humane, a novel that asks unsettling questions, makes surprising connections and allows room for some unexpected, magical solutions. From the Hardcover edition.
