CHILDE HAROLD S PILGRIMAGE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Childe Harold s Pilgrimage is a lengthy narrative poem in four parts written by Lord Byron. It was published between 1812 and 1818 and is dedicated to lanthe. The poem describes the travels and reflections of a world-weary young man who, disillusioned with a life of pleasure and revelry, looks for distraction in foreign lands. In a wider sense, it is an expression of the melancholy and disillusionment felt by a generation weary of the wars of the post-Revolutionary and Napoleonic eras. The title comes from the term childe, a medieval title for a young man who was a candidate for knighthood. The work provided the first example of the Byronic hero. The idea of the Byronic hero is one that consists of many different characteristics. The hero must have a rather high level of intelligence and perception as well as be able to easily adapt to new situations and use cunning to his own gain. It is clear from this description that this hero is well-educated and by extension is rather sophisticated in his style. Aside from the obvious charm and attractiveness that this automatically creates, he struggles with his integrity, being prone to mood swings. Generally, the hero has a disrespect for certain figures of authority, thus creating the image of the Byronic hero as an exile or an outcast. The hero also has a tendency to be arrogant and cynical, indulging in self-destructive behaviour which leads to the need to seduce women. Although his sexual attraction through being mysterious is rather helpful, it often gets the hero into trouble. Characters with the qualities of the Byronic hero have appeared in novels, films and plays ever since.
